Reaching Children in the Philippines

January 2010

Will You Be A Part of the Dream?

What Dream? The Lord has challenged my heart to establish a Children's Dream Center which would reach out to the poor. Kids have already come to know Jesus and attend a weekly outreach however we have no permanent facility to gather in.

Where? Cebu City, Philippines

How will the center reach children?

The center will house a Worship Center, Pre-school, Computer lab, Learning Center, Feeding Program and provide opportunity for Lifelong Learning Skills.

What can you do to make this Dream Center become a reality?

You can make a onetime donation

You can make a monthly pledge

You can donate the following:

- Books
- Puzzles, Games, Christian Videos, Educational Materials
- Teacher Aids, Computers, Sound Equipment (Contact Ruth if you have the above to donate. Items will be shipped in July 2010)

Left: Kids minister in local churches through music this past Christmas. These children came to know Jesus through weekly outreach.; Right: Thank you BGMC for our new Circle of Friends T-shirts.

We need your help!

Children's Dream Center Goal \$20,000.00

Dear Friends,

I plan to return to the Philippines in August of this year. Along with raising funds for the Dream Center I am also in need of raising \$1,200.00 in monthly pledges. Will you help me return to the children of the Philippines?

As you consider making a pledge or increase your present pledge know that your investment can affect a child's life for eternity.

I want to thank all my faithful supporters. Because of you, children today know a loving God who thinks each one of them is special. The Dream Center will help meet needs of kids who don't have much of a chance in life. I cannot do this without you. As you pray about what God would have you do, know that your investment can impact children's lives for eternity. You can help give hope and a future to many who don't see much of a future. Please fill out the form below and mail to Springfield or myself. On behalf of the kids, I thank you for your part in this ministry and Dream Center.
